

ES Sunday Stream – Weekly Outlook

Core Theme:

- Last week played out perfectly: expansion → core → 6696 clearance
- This week = conflicting structures + multi-flips → volatility

Key Levels:

- Support: 6671 / 6678 / 6688–6696
- Core reclaim: 6788
- Bull trigger: 6822–6828
- Resistance: 6936–6944

Market Behavior:

- Likely "lower to go higher" scenario
- Range control ≈ 100–115 pts
- >130 pts = expansion / risk

Timing Windows:

- 13–14 → decision
- 15 → midpoint pivot
- 16 → major flip alignment
